

## The Liberal Trade Union - ACLVB

### Core tasks ...

- Defending rights of workers
- Providing information and education
- Legal advice and support
- Assistance for job-seekers
- Payment of the unemployment benefit

### ... with a social-liberal approach

- Solidarity amongst workers with respect for individuality and own opinions
- Independent from political influence = free vision
- Constructive approach in social bargaining, we aspire solutions

### Interprofessional bargaining ...

ACLVB is represented in several tri-partite advisory bodies which advise the government policy, such as SERV.

### ... in Flemish policy domains

- Labour market
- Economy, tax system & budget
- Education
- Welfare & social protection
- Energy, environment & mobility

### Digitization @ ACLVB

- Advising digitization policy in relation to the labour market (at SERV, NAR/CRB & EVV).
- Informing and preparing representatives and members for the digital century through information, education and practical exercises.
- Educating own staff about the changes and challenges to come, including preparing them to help our members.
- Sectoral follow-up: what are the risks and opportunities for different jobs sectors?
